A FEW WORDS FROM YOUR PRESIDENT...

Welcome to our 13th Annual C4 Convention! There is a little chill in the air – that time of year when a young man's fancy turns to colonial coins!!! By the fact that you're reading this, you've made the trek to Boston. Thank you for taking the time out of your busy holiday schedule to make this convention a success. Next year the convention will be held before Thanksgiving.

Volunteers from the C4 membership have organized educational events, exhibits and social gatherings. Dealers specializing in colonial coins have arrived from all over the US to present their inventory to you. M&G Auctions has assembled an array of colonial coins from a wide variety of specialty areas, and presented them in their usual expert manner. It's too easy to just take for granted that a wonderful catalog will appear in our mailbox every year – thank them for all the work when you see them. This convention was designed for all to have fun – "so let it be written, so let it be done!" (Pharaoh)

2008 will be an election year for C4 Officers. In this program is a list of C4 Officers – go out of your way to meet them – walk right up and introduce yourself. See what they're like. In the next C4 Newsletter will be instructions on how to nominate someone to run for an office. If you know someone that you feel would be a good leader, please keep them in mind when we call for nominations. To have a real election, there must be choices.

I'm thrilled to announce that C4's 4th publication has been shipped from the printer and should be available at the convention. There will be a sample copy at the C4 Table, but you'll need to go to Charles Davis' table to purchase one. Syd Martin has written a book on Wood's Hibernias and a copy should be on the library shelf of every C4 member. The research, and topics covered, is extensive. The size approaches that of a phone book! Syd will be at the convention and I'm sure he'll be happy to autograph your copy. Charles Davis is a C4 Member and a book dealer. Please be sure to stop by his table and check his inventory. I don't know if there's ever been a C4 Convention that I didn't come home with some book from Charlie for my library!

Lastly, I know there will be some attending for the first time. If you have never met me, please introduce yourself. When not involved at events or walking the floor, I'll be at the C4 Table. I'm terrible with names but not bad with remembering faces. I depend heavily on name tags, so please wear one.

Have Fun!

Ray Williams

Someone we'll be missing again this year is Bob Rhue. Although circumstances did not allow him to attend this year, he wanted to support C4 and the convention. Bob has once again generously volunteered (and I quickly accepted) to donate the funds to produce this C4 Convention program.

Members like Bob are examples of some of the behind the scenes people that keep C4 efficient and fun!

C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.
